1. The Chinese Learning Program by Language Center offers credit Chinese courses available only for current international students, oversea Chinese students and exchange students at National Changhua University of Education.
2. The grades of these Chinese courses are accredited by NCUE, and are calculated for the student's grade point average in that semester. However, the students' departments may decide whether these credits count as credits to graduate.
3. International students whose native language or second language is not Chinese should take the Chinese courses appropriate for their levels under the evaluation of the Language Center at NCUE. The compulsory Chinese I courses and Advanced Chinese courses offered by the General Education Center may be waived by such Chinese courses at Language Center.
4. The credit Chinese courses are all elective courses in NCUE. Label I classes are not prerequisite for taking label II classes. After the evaluation of the Language Center at NCUE, the international students can take label II classes even they do not take label 1 classes first.
